

**INTERNATIONAL METAL
DECORATORS ASSOCIATION**

2018

*Decorators
of the Year*
Award

Once again we will present the *Decorators of the Year* Award acknowledgement. Unlike the Excellence in Quality award program, which is conducted to recognize companies for their metal decorating skills, this award recognizes individuals for their level of competency. This award program allows companies to acknowledge and nominate their press operator(s) so they may be recognized by their peers for their skill and ability. This year's award will be presented during the IMDA conference being held on May 23-24, 2018 at the Hilton Oak Brook Hills Resort in Oak Brook, IL.

When considering the nomination of the Press Operator please incorporate the following criteria into your selection process.

Award Criteria Press Operator:

1. The press operator(s) used quality tools to identify and improve the quality of the metal decorated container.
2. The press operator(s) is a quality champion who corrects errors as they occur.

4. The press operator(s) is a creative thinker.
5. The press operator(s) develops new ways of performing their job.
6. The press operator(s) does more than is required to perform their job.
7. The press operator(s) is a team player.
